AMENDMENT

Assistant Commissioner for Patents
Washington, D.C. 20231

December 18, 2002

Sir:

In response to the Office Action mailed July 18, 2002, please amend the
above-identified application as follows:

RECEIVED
DEC 23 2002
TC 1700

IN THE CLAIMS:

Please cancel claims 1-8 without prejudice or disclaimer, and add the
following new claims to the application:

- 500
C1
St
- 9. A process for producing an oxygen-absorbing package, which
comprises:
(a) producing an oxygen-absorbing composition comprising a granular iron
powder as an effective component which contains fine iron powder passing through
a 200-mesh standard sieve in an amount of 5% by weight or less by removing the
fine iron powder; and
